DETAILED ACTION

Claim Rejections - 35 USC § 102

The following is a quotation of the appropriate paragraphs of 35 U.S.C. 102 that form the basis for the rejections under this section made in this Office action:

A person shall be entitled to a patent unless –

(f) he did not himself invent the subject matter sought to be patented.

Claims 1-22 are rejected under 35 U.S.C. 102(f) because the applicant did not invent the claimed subject matter. Applicant claims foreign priority to Japanese Application 2000-131933, the inventor listed on this document is Toshiya Kamimura; the inventors of the current application are Toshiya Uemura and Koichi Ota. Based upon the claim of foreign priority to an invention by another the Examiner has concluded that the subject matter sought to be patented was invented by Toshiya Kamimura.
